Transportation to your Hotel

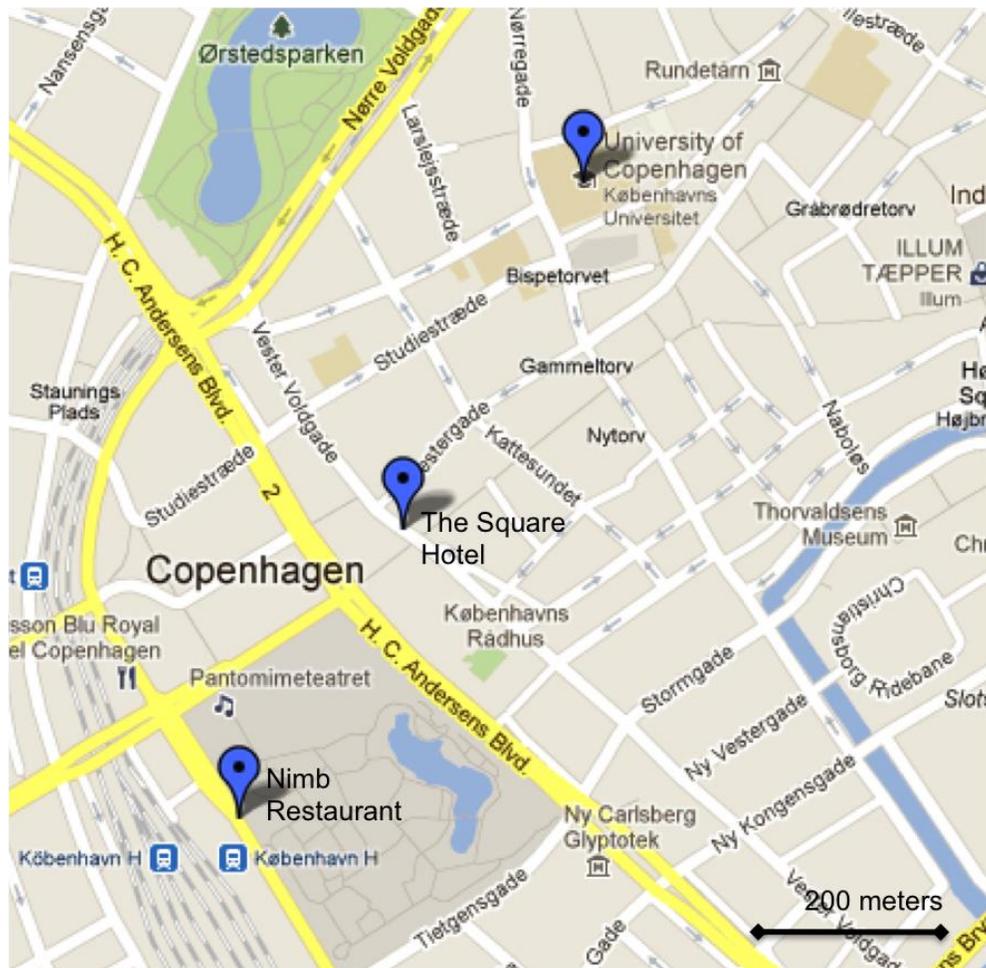

You will arrive in Copenhagen International Airport Kastrup, which is located about eight kilometers from the University. You can get from the airport to The Square Hotel by train, bus or taxi. The ride from the airport takes about 15 - 25 minutes.

By taxi: Taxi stands are available at Terminal 3, which is for international arrivals. Taxi fare from the airport will cost around DKK 350 - 250. Taxis in Denmark are charged by meter and fares include service charges so you are not expected to tip.

By train and bus: Purchase a ticket at the DSB ticket stand (DSB) located in the airport terminal. The train ticket costs DKK36 and leaves every 10 minutes. Take the train to København H, the Copenhagen Central Train station (14 minutes, or 3 stops). From the train station, the hotel is about 10 minutes walk.

By private car: The Square can provide a limousine service for DKK 875 per trip, which can take up to 4 passengers. You may pay for the service through the hotel front desk.
