

# Internet + Education

Mixture of the Technology and Humanistic Concern

# Internet Era

# Internet: Deeply Penetrate the National Economy

# Internet's Transformation of Traditional Industries

# Don't want to eat?

## Why?

Stir? Fry?

Change a cooking method!

Ingredients?

Very important!

Concept of healthy diet?

More important!

# Good Chef

Knows Good Concept

Good Ingredients

Good Methods

Boring courses?

What shall we do?

## Good Instructors

Good  
Concepts

Good  
Content

Good  
Methods

## Course Objectives

Double-body  
Education

Inspire and  
Ignite Interests

Competencies  
over  
Knowledge

## Principle of SCAR

Keep paces with the times

## Internet +

Blended Teaching and Learning

Course Sharing

Teacher and Teaching Development

Online Learning
